- To discuss correspondence received from a resident regarding Clifford Park (see below)

The next meeting will be held on Wednesday 13th July 2022

CR/55/2022

- For attn of Recreation Committee.

Dear All, I regularly walk my dog at Oakford Lawn and meet many other dog walkers there. I am concerned that the entrances at both ends of the park are not secure for dogs and young children. Would it be possible for the bollards between the park and the car park to be replaced with 3 ft high railings and a closable gate please? Similarly at the far end, a gate to slow down dogs and youngsters between the park and the road would help people to stay safe and to alleviate worry of potential harm. I wonder whether the no-doubt plentiful Section 106 funds could cover this as it would be a benefit to the local community. Thanks for all you do. Best wishes

- Excited to see the playpark getting improved behind us in Clifford Park. Is there any money in the budget left to move the red metal bench elsewhere? We'd be delighted not to have the pumping bass, wafting marijuana smoke, constant swearing and glass bottled lobbed over the fence moved elsewhere. Talked to the chap doing the work but he said the bench is staying put in his plan. It's just nicely tucked away under the trees for lurking and I'm sure parents get put off bringing their toddlers in to play. We did.
