**CR43/2022 History Garden/ boards**

Colleagues,

I am trying to find out where we are heading and what the precise plans are with all the information boards, various sensory/ history linked plantings in the beds etc and general maintenance of the History garden? It is just I cannot recall where we got to and indeed if the History garden is still sealed off?

The reason for this is whether the Kingsteignton Wild group could do a few additional things to the area to improve the garden for wildlife etc, after full details/suggestions provided to KTC for authorisation first of course.

Perhaps Kingsteignton Wild would be able to help doing some of the work- who knows?

Best wishes.

Cllr Bill Thorne
