Email received from Tom Hirst, NAST::

“Good morning

We now have permission from the vicar to put a gathering point at the church and in discussion with UTC to hopefully put an Arial on their roof if this all goes to plan we have a go and we can start the installation and get it up and running

This also will give us the link we need for Oakford lawn and give good radio coverage in the town for you should any of your businesses want to be involved

I believe the equipment can be obtained at short notice so fingers crossed we hope this helps

Tom”
