I went to park this morning.

Some points to consider

- 1.The old concrete base from the green bench, instead of pulling up, maybe put a couple of bike racks on in.
2. There's an old metal post just inside gate that had a bin on it, maybe need 2 bins in this area now.
3. There is a large area at the rear of park to the right, behind big swings. It has been grass seeded, don't really think that this will work, turf maybe or cover this area so the grass can grow (that won't work).
- 4.The wooden Balancing bar is rotten.
5. We could take this away and put the picnic bench there. The one at hall. Enough room and in good view for camera.
