Grant Policy

Introduction

Local councils are empowered under section 137 of the Local Government Act 1972. The Council has the power to incur restricted expenditure which, in the council's opinion, is considered to be is in the interest of and will bring direct benefit to its area or any part of it or all or some of its inhabitants. The direct benefit accruing must also be commensurate with the expenditure to be incurred.

There is a further power to make grants to voluntary organisations providing recreational facilities under section 19 of the Local Government (Miscellaneous Provisions) Act 1976.

A council that is eligible and has resolved to adopt the General Power of Competence (Localism Act 2011, s. 1 to 8) can no longer use s137 as a power for taking action for the benefit of the area or its community. Instead, the GPC can be applied; subject to certain restrictions but offering more flexibility.

At a full council meeting, held to agree a budget for the forthcoming financial year, the council will agree the amount allocated for grants to be awarded in the year ahead. The amount may vary each year, depending on the overall council budget.

For financial year **2024-25**, **£1,000** has been allocated for use under s137 or grant awarding under GPC, whichever is relevant.

The Aims of the Council's Grant Making Policy

A grant may only be awarded to voluntary bodies, charities and not-for-profit organisations which are set up and run by a voluntary, unpaid management committee. The payment made by the Council shall be used by an organisation for a specific purpose that will benefit the parish, or residents of the parish, and which is not directly controlled or administered by the Council. The Council spends taxpayers' money and must do so transparently. Attention is drawn to the declaration to be signed as part of the application, and how information provided may be published. The Council awards grants, at its discretion, to parish organisations which can demonstrate a clear need for financial support:-

- To enable local people to participate in voluntary groups and activities.
- To help the parishes' voluntary groups to improve their effectiveness.
- To ensure the provision of services, needed by the residents, via the voluntary sector.
- To enhance quality of life and ensure there is equality of access and opportunity for all parishioners to the services provided.
- To improve or enhance recreation and / or sports.
- To improve or enhance the environment / sustainability.
- To promoting the parish of Kingsteignton in a positive way.

Grant Application Process

The Clerk and RFO to the Council will receive all applications in the first instance and will then collate all the necessary information from the applicant ready for presentation and discussion at the appropriate Council meeting.

Applicants will be required to complete an application form, available from the Town Council Office or the website www.kingsteignton.gov.uk/grant-awards/.

Applications will be considered for joint projects, where two or more organisations are working together in order to fulfil the aims of the Council's grant making policy.

The Council wants to be helpful and to encourage strong applications. If you have any questions about this process, please ask for help.

All sections of the application form should be fully answered and additional appropriate information, which supports an application, should be provided. In addition to the application form organisations may be required to provide some of the following supporting information:

- For grants under Category A, B or C a copy of the organisations written constitution or details of their aims and purpose must be provided. Organisations that cannot meet this condition must only apply under Category D, Smaller Grants.
- Full details of the project or activity
- Demonstration that the grant will be of benefit to the local community within the Town.
- The proportion or number of beneficiaries living in the electoral area
- Demonstration of a clear need for the funding
- A copy of the previous year's accounts or, for new initiatives, a detailed budget and business plan. Showing organisation income, expenditure and balances.
- A copy of the organisation's latest bank statement.

Where additional information is required in order to consider the grant application, applicants will be invited to meet with the Council to further discuss the application, prior to the grant being determined by Full Council.

The Full Council will make the decision on which grants to award. All applicants will be contacted following the Council's decision.

Funds available are limited to ensure the council keep within the budget which has been set. The clerk/RFO can give guidance to applicants as to how much money is likely to be available/remaining in a specific financial year.

Conditions of Funding

- The applicant must be either non-profit or charitable. Applications will not be considered from private organisations operated as a business to make a profit or surplus.
- Grants will not be made to projects that discriminate on any grounds.
- Under s 137 grants cannot not be made to individuals.
- An organisation should have a bank account in its own name with two delegated representatives required to sign each cheque/authorise payments.

 awards must be properly accounted for, and evidence of expenditure must be supplied to the
 Council on request.
- Ongoing commitments to award grants or subsidies in future years will not be made. A fresh application will be required each year.

The Council reserves the right to refuse any grant application which it considers to be inappropriate or against the objectives of the Council. The decision of the Council on any application is final. If any organisation feels its application has not been considered fairly, a complaint may be lodged using the council's official complaints process. Details are available from the Town Clerk.

Any grant must only be used for the purpose for which it was awarded unless the written approval of the Council has been obtained for a change in use of the grant monies, and that any unspent portion of the grant must be returned to the Council by the end of the financial year in which it was awarded. Nothing contained herein shall prevent the Council from exercising, at any time, its existing duty of power in respect of providing financial assistance or grants to local or national organisations under the provisions of the Local Government Act 1972, s 137 or GPC; whichever is relevant.

Payments

Grants can be paid by cheque, made out to the named organisation, or BACS, to a dedicated account for the organisation.
