Members are reminded of their legal responsibilities when considering planning applications as set out in the planning practice guidance on the government website Gov.Uk. Local authority members are involved in planning matters to represent the interests of the whole community and must maintain an open mind when considering planning applications. Where members make recommendations on planning applications they must do so in accordance with the local development plan unless material considerations indicate otherwise. Members must only consider material planning considerations, which can include public views where they relate to relevant planning matters. Local opposition or support for a proposal is not in itself a ground for refusing or granting planning permission unless it is founded upon valid material planning reasons.
